📄 Terms and Conditions Regarding Research Reports and Recommendations

Issued By: MOHIT AGRAWAL

At **MOHIT AGRAWAL**, we prioritize delivering **dependable and precise research reports and recommendations** to our registered clients. Our analyses rely on authentic data from **reliable sources**, including publicly available information. All reports are **carefully reviewed** prior to dissemination to ensure accuracy and to avoid misleading statements.

⚠️ Key Disclosures and Risk Factors

(a) All research reports and recommendations are provided **solely for informational purposes** and **should not be construed as an offer or solicitation** to buy, sell, hold, or subscribe to any securities or financial instruments.

RESEARCH ANALYST

(b) **MOHIT AGRAWAL**, along with its partners, employees, officers, and affiliates, expressly disclaim any liability for loss or damages arising from **unintentional errors or omissions** in any information or recommendations contained in the research reports.

(c) Investment in capital markets is inherently **subject to risks**. Clients **should assess their own risk tolerance** carefully and consider consulting a qualified financial advisor prior to making investment decisions.

(d) The research products of MOHIT AGRAWAL are not tailored to individual investment objectives, financial situations, or specific needs.

(e) Clients obtaining research recommendations should exercise independent judgment and act in accordance with their financial capacity and risk appetite, fully appreciating the risks involved in securities markets.

Risk Warnings:

(a) **Investment in securities markets is subject to market risks.** Read all related documents carefully before investing.

(b) Market conditions may cause **partial or permanent loss** of capital or portfolio value.

(c) **The Securities Quoted Are for Illustration Only and Are Not Recommended.**

(d) **Past performance is not indicative of future results.**

(e) **“Registration granted by SEBI, membership of a SEBI recognized supervisory body (if any), and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors.”**

Open Position Risk:

Our research recommendations may remain **open-ended**, and in certain cases, **no stop-loss or target levels may be defined**. In such scenarios, your portfolio could be at risk of heavy losses caused by rapid market movements or unforeseen company-specific events.

No Loss or Refund Guarantee:

(a) There is absolutely **no scope for refunding losses** incurred from acting on any research report or commentary.

(b) While pro-rata refunds may be considered for subscriptions due to dissatisfaction, these are **not tied to investment outcomes**.

Social Media Disclaimer:

Any content shared via our social media handles is **strictly for educational purposes** and should not be interpreted as financial recommendations.

 Always consult a SEBI-registered investment adviser before making any financial decisions.

Use of AI in Research:

RESEARCH ANALYST

Our research process includes **technical and fundamental analysis**, occasionally supported by **AI-based tools**.

While AI enhances analytical capabilities:

- (a) It may introduce **data biases, system vulnerabilities, or errors in interpretation, which lead to losses.**
- (b) **AI-generated insights carry a risk of misleading recommendations due to inaccurate or poor-quality input data.**
- (c) **Client data privacy and security remain a top priority and are handled in accordance with applicable laws and regulations.**
- (d) **There is no guarantee of success or return when acting on AI-generated recommendations.**
- (e) **You bear the full risk of any investment decisions made based on such advice.**
- (f) **The provider is not liable for any losses or damages you may incur as a result of your actions taken as per AI recommendations.**

Model Portfolio Disclaimer:

MOHIT AGRAWAL may issue model portfolios for educational purposes, in full compliance with SEBI regulations. These are **not tailored to individual financial goals**, and clients must independently assess risk-reward based on their profile.
